Haunted Hayride

Huge turnout for the Haunted Hayride put on by Camp Oh Da Ko ta! Scouts and their families bravely explored the hauntings throughout the camp. After a pit stop about half way through to fill up on hot coco, popcorn, and other snacks some were brave enough to go on the haunted hike after the hayride, and most survived. For their bravery, all Scouts who survived will receive a special patch as an award at the Nov. 22nd Pack Meeting!

Registration Fees

Registration fees for Scouts will be due by the Pack Meeting on Dec. 20th. Registration fee is \$138 per Scout.

Information regarding your Scout's Scoutbuck balance will be communicated at the November 22nd Pack Meeting. Scoutbucks can be used for the annual registration fee, campouts, uniforms, etc... and are earned from fundraising.

Check or cash are the preferred methods of payment if a balance is owed. Credit card processing is available. Please see the Cubmaster directly for credit card payments.

Bobcat Ceremony

Please welcome our newest scouts who have earned their Bobcat rank, awarded at the October Pack meeting. Make sure to ask them what "good deed" they did in order to have their badge sewed on right side up on their uniform. Congratulations Bobcats!

General Announcements

Wreaths! –

Wreaths will be available for pickup starting at 6pm on November 22nd, prior to the Pack Meeting at West Side Elementary. A wreath pickup area will be setup outside near the entrance. There will also be opportunities during the Pack meeting for parents to sneak out and collect their wreaths. If you are unable to attend the November 22nd Pack Meeting, and you have wreaths to pick up, please contact the Cubmaster.

Elkhorn Christmas Parade -

Pack 225 will be marching in the upcoming Elkhorn Christmas Parade. This fun event gives us a great opportunity to showcase the pack for the entire community. This year, along with walking with a banner and flags, we will have a float to ride! Big shout out to Adams Electric for donating use of their trailer and even an indoor workspace to decorate it! If your email address is registered with the Pack, you received an online sign up link for the float decoration event and the parade. If you do not have this email, and are interested in participating, please contact the Cubmaster.

Decoration event will be held at Adams Electric 801 N Wisconsin St. Elkhorn on December 2nd. Shifts start at 530pm and run to 730pm. We

need help decorating the float, and prepping candy and cards to hand out as we walk. Online registration is required due to a headcount cap for the event.

The Elkhorn Christmas Parade steps off from the Walworth County Fairgrounds at 130pm on December 4th. An online registration link was sent for this event as well. Please contact the Cubmaster if you need the link resent. The event is free for the Pack aside from the Parade Organizers asking for donations of non-perishable foods for local pantries. If you plan on attending the parade event, please bring a food item to donate to the Nov 22nd Pack Meeting.

Winter Camp, Feb 25th – 27th

Winter camp is back and booked! We will be exploring a new facility this year for our annual winter campout. The Hoard Curtis camp in Cambridge WI, has an indoor facility well equipped for us to enjoy some winter cabin style camping. Winter camp will be Feb. 25th – 27th. Much more information to come. Please save the date!

Want to be more involved? We need you!

The scouting program is put on by a group of hardworking volunteers. These volunteers have taken on roles within the organization and to help the Pack in a number of different ways. Packs need help both to put on the programming you see (meetings, outings, etc...) but also all with the administrative effort that goes into running an organization as large as ours.

From a programming side, we are looking for any parents that would like to take a more active role in leading a den. We are always looking for Assistant Den Leaders. No experience required!

From a planning and administrative side, we are looking to expand our small committee that helps plan upcoming events. Some of the things the committee handles are fundraising, finances, outing planning, advancement, and new member coordination. The committee meets once per month, and is a great way to get involved.

For more information on either volunteer option, please contact the Cubmaster directly.

Of all the paths you take in life, make sure a few of them are dirt.
