- April 23rd Brat Hut Fundraiser – Details inside!

Pie a Leader!

Cub Scout families did an AMAZING job at fundraising this year! This year's top fundraising families for popcorn and wreath sales were the: Kienbaums, Olsens, Zlevors & Brockmeyers. Top earning families got to pie a leader!

Leader Joe took the first one, followed by Mr. Z.

Fundraising is an important part of continuing to offer fun and involved events throughout the year, and it's also a great way to spread the word about our Cub Scout Pack in the community, which leads to more opportunities to serve.

New Bobcats!

Our newest Bobcats took center stage! Congratulations!

Please welcome our newest scouts who have earned their Bobcat rank, awarded at the January meeting. Make sure to ask them what "good deed" they did in order to have their badge sewed on right side up on their uniform. Congratulations Bobcats!

PINEWOOD DERBY

A BOY SCOUTS OF AMERICA® BRAND

The 2022 Pinewood Derby was a blast! Cubs of all ages worked hard on making the fastest (and coolest looking) car. Big thank you to all the families that brought items for the bake sale, and the volunteers that helped make this a really special event for our scouts.

Winter Camp 2022

Winter Camp 2022 was such a fantastic event. The Cub Scouts, leaders, and parents had a blast. Some of the highlights were: Blazing a sledding trail, animal tracking in the snow (Scouts got pretty good at this, even caught the mouse they were tracking...), animal print molds, leaf printing, and even rubber band racing cars!

So. Much. Fun. Big thank you to all the parents and leaders who jumped right in and helped put on the robust activity program we created!

Brat Hut, April 23rd from 930am – 230pm

The very popular Brat Hut fundraiser is back! Signups coming soon. Keep an eye out in your email box. This was a very successful event for our scouting families and put a huge dent in several scout's annual registration fee. Great opportunity to earn Scout Bucks, and not to mention a super fun day hanging out, grilling, and fundraising.

Want to be more involved? We need you!

The scouting program is put on by a group of hardworking volunteers. These volunteers have taken on roles within the organization and to help the Pack in a number of different ways. Packs need help both to put on the programming you see (meetings, outings, etc...) but also all with the administrative effort that goes into running an organization as large as ours.

From a programming side, we are looking for any parents that would like to take a more active role in leading a den. We are always looking for Assistant Den Leaders. No experience required!

From a planning and administrative side, we are looking to expand our small committee that helps plan upcoming events. Some of the things the committee handles are fundraising, finances, outing planning, advancement, and new member coordination. The committee meets once per month, and is a great way to get involved.

For more information on either volunteer option, please contact the Cubmaster directly.
